Program name	Description	Round open Target month
Apprentice and Trainee Grant for Small Business	The program aims to increase apprenticeships and traineeships in target industries. The program will provide employers with payments of up to \$5 000 per eligible apprentice or trainee in two payments upon successfully meeting training milestones.	Ongoing (until funding fully allocated)
Energising Tasmania Training Fund – Round 2	The Energising Tasmania Training Fund (the ET Fund) is a key output of the <i>Project Agreement for Energising Tasmania</i> . It is the intention of the ET Fund to deliver and subsidise training and workforce development activities to existing workers that enable energy, infrastructure and related sectors to drive economic growth and employment. The ET Fund provides Endorsed RTOs fully subsidised training places to deliver full nationally-recognised qualifications to existing workers.	September 2021
Skills Fund – Round 1	The Skills Fund subsidises the cost of training for existing workers to develop their skills and knowledge to build a productive and competitive workforce. The Skills Fund subsidises the cost of training across a range of qualifications and skill sets across all industries with particular focus on priority industries.	October 2021
Apprentice and Trainee Training Fund (User Choice) 2022	The Apprentice and Trainee Training Fund (User Choice) Program subsidises the cost of RTOs delivering nationally recognised training to Tasmanian apprentices and trainees. The program supports employers by providing the skills required to drive competitiveness and economic growth.	October 2021
The JobTrainer Fund– round 2	The Tasmanian <i>JobTrainer Fund</i> (the <i>Fund</i>) will provide grants to Skills Tasmania endorsed registered training organisations (RTOs) to provide no cost nationally recognised training for eligible learners to support them into employment as Tasmanian emerges from the COVID-19 pandemic. The <i>JobTrainer Fund</i> is a jointly-funded initiative of the Australian and Tasmanian, governments.	TBA
Training and Work Pathways Program 2022	This program provides grants for projects that support opportunities for Tasmanians facing disadvantage to engage productively in education, training and employment.	TBA
