Training and Work Pathways Program (TWPP)

A grant program jointly delivered by Skills Tasmania and Jobs Tasmania.

There are two streams for 2024, aimed at supporting better job and training outcomes for Tasmanians facing disadvantage.

Stream 1 – Skills Tasmania

Pathways to training and employment

Aimed at supporting disadvantaged learners from traditional TWPP cohorts to a successful training or employment outcome.

Stream 2 – Jobs Tasmania

Youth Support

Aimed at supporting young people aged, 15 to 25 years, who are disengaged or at risk of disengagement, and/or are more vulnerable to experiencing disadvantage.

Training and Work Pathways Program Stream 1

Pathways to training and employment

Projects funded under this stream must undertake targeted activities that address specific barriers or disadvantage impacting people accessing and participating in training and/or employment that:

- increases participation in training and leads to better labour force participation, work-readiness or employment outcomes for Tasmanians facing disadvantage, and/or
- supports collaborative relationships between community organisations, training providers and employers to increase access to and supported participation in training and/or employment for Tasmanians facing disadvantage.

12- month projects

Traditional target cohorts

Stream 1

Who is eligible to apply?

Check the Training and Work Pathways Program 2024 Guidelines - Stream 1 Pathways to

Training and Work Pathways Program Stream 2

- Focus on young people (15-25 years) who are disengaged or at risk of disengagement, and/or more vulnerable to experience disadvantage and/or complex barriers to employment, education or training.
- The program will support eligible organisations to provide individualised and wrap-around support for young people to engage in a pathway to work, education or training over longer term (up to) two-year projects.
- Includes a focus on young people experiencing unstable housing or are at risk of homelessness.
- Demonstrated collaboration with other parts of the Tasmanian EET eco-system, health and social services supports are a crucial expectation.
- Total pool of \$1.2 million, allocated across three regions (\$400,000 across each region)

Stream 2
